Dear Patient:

You are receiving this letter today because you have an invalid Health Card. Your Doctor has agreed to see you for this appointment today; however, a note will be added to your chart so no additional appointments will be provided to you until you have called in with an updated Health Card, including a new version code and expiry date.

It is recommended that you do the following:

Contact the nearest Service Ontario

922 Scott Street
Fort Frances, ON P9A 1J4
Hours 8:30 am – 5:00 pm
1-800-267-8097
Ontario.ca/page/serviceontario

Service Ontario will provide you with a temporary document until your new Health Card is received in the mail. The document will have all the information that is needed to update your chart.

Please call the clinic to update. Once your information is updated you will again be permitted to book appointments.

Sincerely,

Fort Frances Physician Group
